Company Description:

US based company that has been producing anywhere from 5,000 to 5Million tubes to clients worldwide for almost a decade and now has the ability to be a great resource for additional packaging needs like HDPE and PET bottles, jars, aluminum cans, airless pumps, shrink sleeves, Pouches, closures and more.
We pride ourselves on the ability to produce high quality products at incredibly low pricing, with quick lead times and exceptional customer service!

Major Markets:

- Personal Care
- Health and Body
- Cosmetic
- OTC and Pharmaceutical
- Auto/Recreation

New Products:

- Rollerball, Silicone, Brush and Unique Doe Foot Tube Head Styles
- Dual Chamber PE, Laminate and Poly Foil Tube structures
- Custom HDPE and PET Bottle Molds Starting at just $1k and 10M MOQ
- Acrylic Jars and pumps, Chapstick Containers and Full Cosmetic Line Components

Specialized Services:

Our in-house Graphic artist and Design team can assist the Customer with developing their brand, packaging design and best layout options per packaging component.
Our overseas Technical design team work diligently to create and develop unique custom mold options that take new packaging design ideas to the next level and set our customers new product lines above the rest.

What's New for 2012:

In 2011 Express Tubes was recognized as One of the Top 100 Fastest Growing Private Companies in the State of Washington. We intend to continue that trend in growth throughout 2012 with our expanded product line, growing team and promise of excellence to each client we partner with.
